A beautiful Mediterranean garden with a large 18-metre pool, chill-out area, a beautiful Mediterranean garden is also part of the project. Furthermore, the property offers a basement and here you will find: a garage with two car parking spaces, machine room, laundry room and various storage rooms that can also be used as a gym, sauna etc. Further extras are: Lift, underfloor heating and air conditioning with a Daikin heat pump, natural Mallorcan stone floors on the ground floor and solid oak on the upper floor. Sol de Mallorca is an exclusive residential area in the southwest of the island with a small marina and several picturesque bays and idyllic hiking trails.
